2-1-1

A toll-free call to 2-1-1 connects you to a community resource specialist in your area who can put you in touch with local organizations that provide critical services that can improve — and save — lives.

Whether in times of natural disaster or personal crisis, 211 is committed to being the first, most essential resource to anyone who needs help. A collaborative of the local United Way organizations serving Butler, Clinton, Greene, Montgomery, Preble, and Warren counties is pleased to provide this free and confidential information and referral hotline for your needs. This service is available 24 hours a day, seven days a week, and is operated by live, professionally trained representatives who are ready to help you.

Some of the categories you may find assistance with include, but are not limited to: Addiction Prevention and Rehabilitation, Crisis/Disaster Relief, Educational Programs, Emergency Information, Employment Opportunities, Health Care/ Vaccination Guidance, Health Epidemic Information, Income Support/Assistance, Legal Aid Assistance, Mental Illness Support, Physical/Emotional Domestic Abuse, Reentry for Ex-offenders, Services for Veterans, Shelter/Housing Options, Special Needs Services, SNAP, Utilities Assistance, and Volunteer Opportunities.

DO YOU PLEDGE TO BUY LOCAL?

Local FIRST

For every \$100 you spend local... **Locally owned businesses give back \$68 to the local economy.** Chain stores give back only \$43, and stores outside the community give back \$0.

Like a neighbor, local businesses know you best. They reflect and embrace the things that make our community unique. By shopping at local businesses you are empowering business owners who value your needs and interests, and who serve as stewards of our community.

Taking the pledge is easy and makes a BIG impact on our community! You don't have to spend more money (though you always could), it's just shifting at least 10% of your current spending from non-local businesses to local ones! According to a study conducted by JP Morgan Chase for our Buy Local First campaign, if all Clinton County residents made that 10% shift of their existing purchases it would translate to \$18 million in additional sales in the County per year. See what a significant and positive impact we can make when we all work together to support our local businesses!
